APPLICANT'S WARRANTY STATEMENT

The undersigned is authorized to sign this application declares to the best of his/her knowledge, that statements set forth are true. Any person who, knowingly and with intent to defraud any insurance company or other person, files an application for insurance containing any false information, or conceals for the purpose to misleading by withholding information concerning any material fact thereto, commits a fraudulent insurance act, which is a crime. Signing the application does not bind the undersigned or insurance company to complete the insurance, but it is agreed this form shall be the basis of the contract should a policy be issued. Should a policy be issued, an enforcement of this application shall be in the same venue as enforcement of the contract provisions. The company is authorized to make any investigation and inquiry in connection with this application it deems necessary.

If the application becomes aware of a pollution incident at any site for which application for insurance is being made between the date of application and issuance of the policy, the applicant will notify the Company immediately of the event.

Applicant's Signature/Title: _____ **Date:** _____
